THE VIBE

Unique Flexible Man On Man Play

The-vibe is a unique fully flexible multi-function male strap & anal stimulator that can be shaped for perfect body fit. Expertly crafted with absolute attention to detail The-Vibe will ensure that you and your partner enjoy shared pleasure experiences. The slender insertable anal shaft has been designed to accommodate your partner along-side & enhance both your play. The shaft incorporates a small prostate mound towards the end with a

powerful motor inside that enhances both your pleasure with every thrust. independent motors drive deep vibrations throughout The-Vibes pleasure zones & stimulation points fusing performance with power as you & your partner are both driven to climax with each firm pulsation. The remote ensures that you will have total hands-free pleasure or maybe surrender control to your partner to decide the adrenalin rush.
