GODDESS COLLECTION

EN

To turn on: Press and hold the middle button (1) for 2 seconds, the led indicator light turns on. The unit is now in stand-by mode.

Then short press the upper button (2) to start the vibrations and short press it to shift the patterns. Press and hold the upper button (2) for 2 seconds, the vibration function stops and the unit is in stand-by mode.

Heating function: When the unit is in stand-by mode or when vibration is on, press and hold the lower button (3) for 2 seconds to turn on/off the heating function. When the heating mode is on, a blue led indicator flashes. To turn off: In any mode, press and hold the middle button (1) for 2 seconds.

To charge: gently insert the USB-plug into the charging socket (4).

Caution: This product is not intended for therapeutic purposes. It should not be used on swollen or inflamed areas of the skin. Prolonged and frequent use is not advised or recommended.

Product Material: Silicone + ABS
