MAINTENANCE

After each use, rinse the tools with lukewarm water and soapy detergent.

You can also use an **erotic cleaner**, which also helps to remove microscopic dirt.

Simply spray the product, leave it on for about 1 minute and then dry with a towel or cloth that does not leak fibers.

WATERPROOF

The tools **is not waterproof or water resistant!**

LUBRICATION

Due to the material of the egg and vibrator, you can use **lubricants of any base**.

DRIVE AND CHARGING

The vibrator is powered by two AA batteries.

The egg is powered by two AA batteries.

We recommend the use of alkaline or rechargeable batteries for greater endurance.

The vibrating ring is powered by an internal disposable battery.

STORAGE

Store separately from other erotic aids in a dry and dark place.
