MAINTENANCE

After each use, rinse the anal plug with lukewarm water and soapy detergent. You can also use an [erotic cleaner](#), which also helps to remove microscopic dirt. Simply spray the product, leave it on for about 1 minute and then dry with a towel or cloth that does not leak fibers.

WATERPROOF

The anal plug is **waterproof**, so maintenance is very easy. It may get splashed with water, but you can safely immerse it in water and enjoy water play. The watch is **only water resistant**, it can be splashed with water, but you **MUST NOT** immerse it in water!

LUBRICATION

Use only [water-based lubricants](#). Other lubricating gels could damage the surface of the aid and it could become sticky.

DRIVE AND CHARGING

The anal plug is powered by an integrated Li-ion battery, which is approximately half charged from the factory, but we recommend that you fully charge it before first use. Charge the battery using the included USB cable, which can be plugged into a phone adapter, PC or powerbank. The watch also has an integrated battery that can also be charged with a USB cable.

STORAGE

Store separately from other erotic aids in a dry and dark place.

PACKAGING CONTENTS
