2. Line up the magnetic charging head with the charging contact.

3. The cable will magnetically attach itself into place. The power button LED light will pulsate slowly to indicate charging.

ways to use

warming up?

Use the rose arouser to caress your or your partners' breasts, focusing on the nipples, to slowly increase arousal.

explore the sensations

Press the pulsing head directly on, or near, the clitoris for heightened external stimulation. Explore by brushing the arouser's vibrating petals directly against, or near, your vulva.

switch things up

Reverse the rose arouser on your partner to get them in the mood. Explore each of the 10 pulsing pleasure settings for teasing and eventually, reaching euphoric climax.
